

The College Hymn (Pietas)

All our hope in God is founded
And in all our work and play
Trusting in his strength and goodness
As we journey on our way,
Lord, may we
Always be
Mindful of your purpose for us.

Let us praise him for His blessing
For the beauty of this place,
For the vineyards and the mountains
For the trees and open space
Lord may we
Always be
Caring of your gifts before us.

Let us show through all our labours
That we listen to his word.
Let us care for all our neighbours
Help each other as we grow
Lord, may we
Always be
True disciples of our Saviour.
